## UK ATHLETICS LIMITED

### DIRECTORS' REPORT

YEAR ENDED 31 MARCH 2012

---

The directors present their annual report and the audited financial statements for the year ended 31 March 2012.

#### Principal activities

The principal activities of the company during the year were to carry out the functions of the governing body of athletics in the UK as required by the International Association of Athletics Federations. In particular these responsibilities included the preparation and selection of GB teams to compete in European and World Championships, Olympics and Paralympics. The company also directed and facilitated the development of the sport of athletics across the UK, working in partnership with Central and Local Government, Home Country Athletics Associations, Schools and Clubs.

#### Business review

Income has remained relatively stable for the financial year (£26.5m, down 2%), which has enabled the company to continue its activities in the development and modernisation of athletics across the country. Expenditure has also remained relatively stable for the year (£26.3m, down 1%).

Income from grants and sponsorship dedicated to the World Class Performance programme was £9m, an increase of 1.7%. Expenditure on this area of activity matched the income. A significant part of this income is provided by UK Sport with whom we continue to work closely.

Income from TV events was £8.8m, 3% higher than prior year primarily due to increased ticket sales. Improved efficiency in running the events contributed to operating costs being 3% lower than the previous year but expenditure to support the quality of the events was maintained.

Sponsorship, grants and other income which totalled £8.6m for the year continues to represent a significant element (32%) of the company's income. This valuable income source is primarily composed of funding from Sport England and our major commercial sponsors.

Costs for development, governance and operations were reduced by 2% to £10.1m as a result of improved efficiency.

Given the importance of the management of TV events and commercial sponsorship to the sport, these activities have been brought in house in 2012.

The company relocated to new offices in Alexander Stadium during the year. As well as providing significant future cost savings this move has enabled the administrative functions of the company to be located at an athletics performance centre, and to co-locate with England Athletics supporting improved joint working.

A significant achievement in the year was the winning of the bid to host the 2017 World Athletics Championships in London. UK Athletics worked alongside Government, the Mayor of London and UK Sport to achieve this. It will help the sport to keep a high profile in the period following the 2012 Games and support its achievement of commercial sponsorship.

At the end of the financial year, the company held Reserves of £1.8m (2011: £1.7m) with Net Current Assets of £1.5m and Fixed Assets of £0.3m. These assets include bank balances of £6.3m which are £1.0m lower than in 2011, primarily due to the timing of receipts which were received one month earlier in the prior year.

The company is on course to deliver its objectives and is now in the final year of the current four year funding cycle to 31 March 2013. The company continues to focus on growing the value and range of its commercial activities, alongside the continuation of public funding beyond 2013, to ensure athletics continues to prosper into the future and can play its full part in establishing an athletics legacy beyond the London 2012 Games.

In accordance with the company's Memorandum and Articles of Association, no dividend can be paid. This position is unchanged since the company's incorporation.

#### Results

The surplus after taxation for the year is £102,404 (2011: £171,395).

## **UK ATHLETICS LIMITED**

### **DIRECTORS' REPORT**

**YEAR ENDED 31 MARCH 2012**

---

#### **Directors**

The directors who served during the year and to the present date are listed on page 1.

#### **Directors' and Officers' liability insurance**

Directors' and officers' liability insurance has been purchased by the company during the year.

#### **Employee involvement**

The company has continued its practice of keeping employees informed of the factors affecting the performance of the company and other matters affecting them as employees. This is achieved through regular management and employee meetings and the active operation of an employee consultative forum.

#### **Financial instruments**

The company finances its operations by careful management of its bank balances and working capital. Cash flow is also regularly monitored.

#### **Risks and uncertainties**

The company is classed as a 'medium-sized' company and, as such, the directors strive to apply the principles and procedures of good corporate governance as set out in the various codes of practice.

The major financial risks currently facing the company are considered to be:

- A reduction in the willingness or ability of public sector grant making bodies to support athletics
- A reduction in sponsorship and TV rights fees for commercial reasons, non-achievement of desired outcomes or reduced perceived attractiveness of televised events

The senior management group maintains a risk register which is reviewed by the Audit Committee (a sub-committee of the Board), which in its turn reports to the Board of directors. Risks are managed actively and mitigation strategies implemented.

#### **Statement of Directors' responsibilities**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for

**UK ATHLETICS LIMITED**

**DIRECTORS' REPORT**

**YEAR ENDED 31 MARCH 2012**

---

safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements and other information included in annual reports may differ from legislation in other jurisdictions.

**Auditors**

Haysmacintyre have expressed their willingness to continue in office as auditors and a resolution proposing their re-appointment will be submitted at the Annual General Meeting.

**Audit information**

So far as the Directors are aware, there is no relevant audit information of which the company's auditors are unaware.

The Directors have taken all the steps that they ought to have taken as Directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Approved by the Board of Directors and signed by order of the Board.

**Kevan Taylor**  
**Company Secretary**

**25 July 2012**

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

### UK ATHLETICS LIMITED

---

We have audited the financial statements of UK Athletics Limited for the year ended 31 March 2012 which comprise the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31<sup>st</sup> March 2012 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2012

---

### 1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted are described below.

#### Accounting convention

The financial statements are prepared under the historical cost convention.

#### Income

Income represents amounts derived from grants received and the sale of services to sponsors, broadcasters and participants in athletics which fall within the company's ordinary activities and arise primarily within the United Kingdom. Income is stated exclusive of value added tax.

Income from grants, sponsorship and TV Events is recognised over the period, or in the same period as the activities, to which they relate, whichever is appropriate. Other income is recognised on the date it becomes contractually receivable.

#### Interest receivable

Interest is recognised on the basis of amounts receivable in the year.

#### Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Computer equipment	3 years
Equipment, Fixtures and Fittings	5 years
Leasehold improvements	10 years

#### Deferred Tax

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered.

#### Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amount payable by the company for the financial year

In addition, one employee is a member of The Teachers Pension Scheme which is an unfunded defined benefit scheme operated by the UK Government on behalf of teachers in England. The company has no claim over the assets of the scheme and has no liability to make good future shortfalls in the scheme except in so far as future service contribution rates may be revised by the Government Actuary.

#### Investments

Investments are stated at cost less provisions for impairment.

#### Operating leases

Rentals applicable to operating leases are charged to the income and expenditure account in equal amounts over the period of the lease.
