

BRITISH ATHLETICS

2017 Trail World Championships

Location: Badia Prataglia, Italy

Date: June 10th 2017

Selection Policy - January 2017

Overview

British Athletics continues to value the importance of the World Trail Running Championship and the role it plays in the progression of British endurance athletes within the international competition pathway. The British Athletics policy for the World Trail Championships will focus on athletes who can be competitive and win team medals. British Athletics therefore intend to select athletes to the teams who the Selection Panel ("the Panel") believe are demonstrating the potential to finish at least in the top 20 in **or** at future versions of this event **or** where there is potential to win a team medal.

It notes that the best in the World tend to compete at these championships and British Athletics would wish to build on the medal successes achieved in the previous World Trail Championships. Please note the event is over 50km and has 2,500m of climb.

The GB and NI team will travel to the Championships as a single team (exceptions to this will only be made at the discretion of the Team Leader and if budget allows). Domestic (within UK) travel arrangements will be booked and funded by British Athletics. Athletes not based in the UK will be required to cover the cost of their own travel to/from the UK (if travelling direct to Badia Prataglia, British Athletics will contribute the equivalent cost of a UK/ Badia Prataglia return flight).

All questions related to the selection policy (including those relating to athletes based overseas) and the trial race should be directed to Adrian Stott at tarit@runandbecome.com.
