

**IAU 100K World Championships, September 8th 2018 Sveti Martin na Muri, Croatia.
Selection Policy - Published January 2018**

1. Overview

British Athletics continues to value the importance of the IAU100K World Championships and the role it plays in the progression of British endurance athletes within the international competition pathway.

British Athletics recognises the strength of competition at the IAU 100k World Championships and therefore intends to select athletes who the Selection Panel (“the Panel”) believe have the potential to finish in the top 10 in Sveti Martin na Muri. If the Panel feel that a team can realistically challenge for a top three position at the IAU 100K World Championships, a scoring team of at least three athletes will be selected providing they have met the team standard.

The GB and NI team will travel to the Championships as a single team (exceptions to this will only be made at the discretion of the Team Leader and if budget allows). Domestic (within UK) travel arrangements will be arranged and funded by British Athletics. Athletes not based in the UK will be required to cover the cost of their own travel to/from the UK (if travelling direct to Sveti Martin na Muri, British Athletics will contribute the equivalent cost of a UK/to Sveti Martin na Muri return flight).

All athletes who wish to be considered for selection must ensure that they advise Chair of Selectors, Walter Hill at walterhelen@hotmail.co.uk with their expression of interest and accompanying CV by 4th April 2018. All expressions of interest will be acknowledged within 2 working days.

All questions related to the selection policy (including those relating to athletes based overseas) should be directed to Walter at walterhelen@hotmail.co.uk.

2. Eligibility

To be considered for the selection, athletes must:

- Be eligible to compete for GB&NI (i.e. full British passport).

The current version of the TMA can be found online at <http://www.uka.org.uk/world-class/gb-ni-team-info/>.
