

TRACK & FIELD LICENCED EVENTS

29th May 2019

Track and Field events are allocated a licence level of either 1 or 2. Level 2 indicates that the event will have Technical Officials in sufficient numbers and at a higher level of qualification managing the meeting and using photo finish timing, EDM and wind gauges. UKA Performance will usually use only level 2 events when considering athletes for selection. Power of 10 will accept athlete performances from all licensed events unless indicated in the list as 'No P10'.

2019 will see the implementation of the TrackMark programme which introduces a set of standards that must be achieved if a venue is to be recognised as a competition venue suitable for achievement of performances at Level 2 events.

The calendar is arranged in date order and by licence level with level 2 events appearing first. Events that are highlighted in green include Para competitions.

EVENT NAME	EVENT START DATE	EVENT END DATE (2 & 3 Day Events)	VENUE	LEVEL OF LICENCE
Midland Senior & U20 Championships	01-Jun	02-Jun	Pingles Stadium Nuneaton	2
