Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditors**

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985 and whether the information given in the Directors' Report is consistent with the financial statements. We report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

**Basis of audit opinion**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

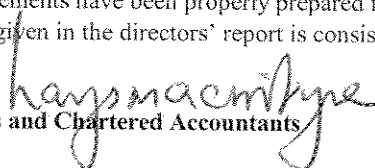

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**NOTES TO THE ACCOUNTS**

**Year ended 31 March 2007**

**1. ACCOUNTING POLICIES**

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted are described below.

**Accounting convention**

The financial statements are prepared under the historical cost convention.

**Income**

Income represents amounts derived from the provision of goods and services and grants received which fall within the company's ordinary activities within the United Kingdom after deduction of value added tax.

Sponsorship and income from significant television contracts is recognised by allocating cash received against the number of attributed events each year. Other income is recognised on the day it becomes contractually payable.

Grants are recognised on the day they are received, or on the first day of the grant period, whichever is the later.

Interest is recognised on the basis of amounts received in the period.

**Tangible fixed assets**

Significant tangible fixed assets are stated at cost and are depreciated on a straight line basis from the month of purchase at the following annual rates:

Computer equipment	3 years
Office equipment	5 years
Leasehold improvements	7 years

**Deferred Tax**

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallize based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered.

**Pensions**

The company operates a defined contribution pension scheme and the pension charge represents the amount payable by the company for the financial year.
