

Technical Advisory Group
Record of Meeting – 21st September 2012

Endurance Education Sub Group Update

New Endurance officials' bulletin went out at the beginning of September. This included information on where to send record of experience forms, administration etc.

L2 courses are not being well attended at the moment – the group will be looking at this going forwards

L3 is now in draft and some modules signed off. The rest of the modules need to be signed off at the next meeting in October.

Track and Field Education Sub Group update

16 Candidates registered for the Level 3 course on 15th October

14 Candidates have registered for the Level 4 course on 16th October

The group are currently updating L3 and L4 courses.

Rules and Records

Rules Group have received 30 recommendations for 2012-14 rule book.

Event Management 2012

There will be new people in event management during the indoor season (with support) and those people may well be leading outdoors with no support

It is likely we will remove the role of Technical Director, transferring their current responsibilities to the Technical Manager and bringing in an Equipment Officer and two or three Clerk of Course per event.

AOB

TAG would like to congratulate Wendy Haxell on her appointment as Officials Representative on the UK Members Council

Date of Next Meeting

2nd December 2012
