2018 IAAF World Race Walking Team Championships **Taicang, China – 5-6 May 2018**

Selection policy – updated February 2018

Overview

The IAAF Race Walking Team Championships is a high-quality competition and British Athletics intend to support the 2018 Championships by selecting individual athletes as follows:

- Experienced athletes who have the potential to perform well at this competition
- Developing athletes who may perform well at future Race Walking Team Championships and have the potential to be selected for future major championships.

The GB and NI team will travel to the Championships from the UK as a single team. Domestic (within UK) travel arrangements will be arranged and funded by British Athletics. For athletes who are not in the UK and choose to travel direct to Taicang, British Athletics will contribute the equivalent cost of a UK/competition venue return flight.

A visa will be required for all British nationals to enter China. British Athletics will cover the cost of the visa for all selected athletes. For further information on travel or the visa application process please contact Maddy Ibbett mibbett@britishathletics.org.uk.

There will be no trial event for the 2018 IAAF World Race Walking Team Championships.

All questions related to the selection policy should be directed to Team Leader, Andi Drake, at adrake@englandathletics.org.
