

## TRACK & FIELD LICENCED EVENTS

Track and Field events are allocated a licence level of either 1 or 2. Level 2 indicates that the event will have Technical Officials in sufficient numbers and at a higher level of qualification managing the meeting and using photo finish timing, EDM and wind gauges. UKA Performance will usually use only level 2 events when considering athletes for selection. Power of 10 will accept athlete performances from all licensed events unless indicated in the list as 'No P10'.

The calendar is arranged by licence level and in date order, with level 2 events appearing first.

EVENT NAME	EVENT START DATE	EVENT END DATE (2 & 3 Day Events)	VENUE	LEVEL OF LICENCE
