

# UNIT 6 – COMPETITION

For records and the achievement of championship qualifying standards it is important that venues that host license level 2 competitions have facilities that are fully compliant with the IAAF/UKA rulebook.

Accordingly, the presence of a fully compliant track and field measurement and levels survey conducted by a UKA approved surveyor is a mandatory requirement of Unit 6.

## COMPETITION

Competition equipment	Notes
	<p><b>UKA Track and Field measurement &amp; levels survey</b> UKA requires that all venues seeking Unit 6 competition accreditation have had a UKA track and field measurement and levels survey conducted by a UKA approved surveyor.</p> <p>Contact <a href="#">UKA</a> for a list of approved surveyors.</p>
	<p><b>UKA Athletics Facility Competition certificate</b> Following completion, the survey report must be sent to UKA where it will be assessed for compliance.</p> <p>If the survey meets the requirements of the UKA rulebook a UKA Athletics Facility Competition Certificate will be issued (<i>any exceptions will be noted on the certificate</i>).</p>

## TRACKMARK EVIDENCE REQUIRED: UNIT 6 – COMPETITION

Requirement 1	Notes
<p><b>UKA Athletics Facility Competition Certificate demonstrating compliance in all track and field events</b></p>	<p>To issue an Athletics Facility Competition Certificate UKA requires the venue to submit a compliant track &amp; field measurements and levels survey conducted by a UKA approved surveyor.</p>

The presence of a valid Athletics Facility Competition Certificate for the venue will be checked by UKA
