25th August – 6th September 2020
Tokyo, Japan

Selection Policy

Overview

This Selection Policy outlines the process by which British Athletics will determine its nominations for Paralympics GB at the Tokyo 2020 Paralympic Games (“the Games”). In all cases, selection by British Athletics represents a nomination to the British Paralympic Association (“BPA”) for their ratification. The final decision regarding selection for the Games lies with the BPA.

British Athletics’ strategic aim is to maximise the team’s potential to win medals at both the Games and future Paralympic Games. This Selection Policy has therefore been structured to nominate a team with this aim in mind.

SECTION 1: SELECTION PROCESS

Eligibility

1.1. To be considered for nomination, athletes must satisfy the following:

- a. Meet the BPA’s eligibility requirements to compete for Paralympics GB as detailed in the BPA’s Qualification and Eligibility Handbook (including in particular being a full British passport holder).
- b. Hold an active World Para Athletics (“WPA”) Athlete License, valid for the 2020 calendar year.
- c. Be 14 years or older as at 31 December 2020.

Note: The Selection Panel must be confident that athletes aged under 16 at the point of nomination possess the requisite maturity and independence, and will be afforded the appropriate care and support during the holding camp/championships, to be considered eligible for nomination.

- d. By midnight (BST) 19 July 2020, hold either an International Paralympic Committee Athletics (“IPC Athletics”) “Confirmed” or “Fixed Term Review” (with a review date of 1 January 2021 or later) classification. Any such classification must also be underpinned by a Relevant Diagnosis (as defined in paragraph 1.2 below) which is to the satisfaction of the British Athletics Chief Medical Officer (“the CMO”) in accordance with paragraph 1.2. For the avoidance of doubt, these requirements apply to all athletes seeking nomination under this Selection Policy, including those with a physical, visual or intellectual impairment.

Note: F40 and F41 athletes must be at least 18 years of age to hold a Confirmed or Fixed Term Review classification. As such, F40 or F41 athletes who turn 18 after the last IPC Athletics classification evaluation opportunity (see

<http://www.paralympic.org/athletics/classification/evaluation-opportunities>) will not be considered eligible for selection.

- e. Have achieved at least one (1) Minimum Entry Standard ("MES") performance (in accordance with paragraphs 2.1 to 2.16 below) in an event featured on the Para Athletics Tokyo 2020 Medal Event Programme (see Appendix 1 of this Selection Policy). For the avoidance of doubt, athletes will only be eligible for nomination in an individual event if they have achieved an MES in that event.
- f. Sign the Paralympics GB Team Members' Agreement ("TMA") and abide by its terms and conditions. Any athlete failing to do so prior to the first date of competition will result in their selection being withdrawn.
- g. Attend the Paralympics GB holding camp in Yokohama (exceptions to this stipulation will only be made at the absolute discretion of the Head Coach). Failure to attend the holding camp (without prior agreement from the Head Coach) will result in the athlete being deselected pursuant to paragraphs 3.1 and 3.2 below.
- h. Meet the Clean Sport/Clean Games anti-doping education requirements for Paralympics GB as determined by UK Anti-Doping.

Relevant Diagnosis

- 1.2 The CMO must be satisfied of any medical diagnosis that underpins an athlete's classification (such a diagnosis being a "Relevant Diagnosis") and must be satisfied that the impairment diagnosed causes permanent and verifiable physical, visual or intellectual activity limitation consistent with the athlete's classification. The following provisions shall apply in connection with the CMO's assessment of a Relevant Diagnosis:
- a. it shall be the responsibility of the athlete to obtain and provide documentary evidence of a Relevant Diagnosis so as to show to the CMO's satisfaction that the impairment causes permanent and verifiable physical, visual or intellectual activity limitation consistent with the athlete's classification;
 - b. the athlete shall comply with all reasonable requests of the CMO for further evidence of the Relevant Diagnosis, and the costs of obtaining such evidence shall be met by British Athletics; and
 - c. all documentary evidence submitted in support of a Relevant Diagnosis must be in English, dated and signed by a registered medical professional who provided the diagnosis.

Selection meeting and process

- 1.3 The team will be selected for nomination in two selection meetings as follows:
 - a. Round 1 nominations (in accordance with paragraph 1.9 below) on **22 June 2020**; and
 - b. All remaining nominations on **20 July 2020**.
- 1.4 The team will be announced on 24 June 2020 (round 1 nominations) and 22 July 2020 (all other nominations).
- 1.5 The Selection Panel (“the Panel”) for each meeting shall comprise:
 - a. Voting members;
 - i. British Athletics’ Paralympic Head Coach; and
 - ii. Event group representatives as nominated by the Head Coach.
 - b. Non-voting members:
 - i. British Athletics’ Paralympic Performance Programme Manager (who will chair the meeting);
 - ii. At least one independent observer;
 - iii. BPA observer;
 - iv. Athlete Commission Member;
 - v. The CMO or other medical representative, as nominated by the CMO;
 - vi. Statistician;
 - vii. Media representative; and
 - viii. Note-takers etc. as required.
- 1.6 WPA will grant BPA a maximum number of Qualification Slots for the Games ,as per the Tokyo 2020 Qualification Regulations (see <https://www.paralympic.org/tokyo-2020/qualification-criteria>). The Panel appointed by British Athletics will consider all eligible athletes for nomination, but is not obliged to fill every available Qualification Slot.
- 1.7 Athletes will be nominated subject to the following maximum numbers of athletes per event:
 - a. 3 athletes per **single classification** medal event; and
 - b. 5 athletes per **combined classification** medal event, which shall include a maximum of 3 athletes **per single classification** within such combined classification event.
- 1.8 It is open to the Panel to exercise its discretion to nominate any athlete for an unlimited number of medal events, subject to paragraph 1.15 below and provided the athlete has an MES performance in each such event and meets any other applicable eligibility criteria pursuant in particular to paragraphs 1.1 and 1.2 above.
- 1.9 In accordance with paragraph 1.3 above, round 1 will take place in the first selection meeting and rounds 2 to 4 (inclusive) will take place in the second selection meeting.

1.10 Round 1 – 2019 World Para Athletics (WPA) Championships gold & silver medallists:

- a. Athletes who win a gold or silver medal at the 2019 WPA Championships or 2019 WPA Marathon Championships, in an individual event listed on the Para Athletics Tokyo 2020 Medal Event Programme will be nominated for the same event in which they won a gold/silver medal, provided they:
 - i. Have achieved at least one MES performance (in accordance with paragraphs 2.1 to 2.16 below) in that same event between 09:00 (BST) 1 October 2018 and 23:59 (BST) 21 June 2020; and
 - ii. Do not, (as at the time of the first selection meeting on 22 June 2020) have any injury/illness which, in the opinion of the Panel, will impact on their potential to at least repeat this performance at the Games.
- b. For the avoidance of doubt, athletes who were individual gold or silver medallists at the 2019 WPA Championships or 2019 WPA Marathon Championships but who do not satisfy the requirements of paragraph 1.10(a) above, will still be eligible for nomination in later rounds, provided they meet the relevant criteria for that round.
- c. Athletes will only be nominated in this round 1 for the same event(s) in which they won an individual gold or silver medal at the 2019 WPA Championships or 2019 WPA Marathon Championships. Such athletes may be nominated for additional events at the second selection meeting using the process outlined in paragraphs 1.11 to 1.15 below.

1.11 Round 2 – athletes with WPA top 3 world rankings:

- a. Eligible athletes who are ranked in the top three (3) of the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings¹ at 09:00 (BST) on 20 July 2020, will be automatically nominated for that event, provided there are Qualification Slots remaining (see paragraph 1.6), the maximum number of athletes for the event has not been reached (see paragraph 1.7) and they:
 - i. Have achieved one (1) of their top five performances within the MES period during the 2020 calendar year (see paragraph 2.2 for more details of the MES period); and
 - ii. Do not have any injury/illness which, in the opinion of the Panel, will impact on their potential to achieve a top three (3) finish at the Games.

1.12 Round 3 – Medal Potential at the Games

- a. In the event that the maximum number of places for an event has not been filled (see paragraph 1.7) and there are Qualification Slots remaining (see paragraph 1.6), athletes may only be nominated in this round if they have achieved at least one MES performance (see Appendix 1) in the event for which they are to be considered, in accordance with paragraphs 2.1 to 2.16 below, and they have

¹ Note: The WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings (located at <http://www.paralympic.org/athletics/results/rankings>) lists all those athletes who have achieved an MES performance during the qualification period. For the avoidance of doubt, this is not to be confused with the 2020 WPA World Rankings, which only shows performances from the 2020 calendar year.

demonstrated to the satisfaction of the Panel, in its absolute discretion, current form and fitness which suggests that they have realistic potential to win an individual medal in that event at the Games.

- b. All eligible athletes who are ranked in the top 16 of the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings¹ at 09:00 (BST) on 20 July 2020 will be discussed. Athletes will be discussed in the order of the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings but, for the avoidance of doubt, selections will not necessarily be made in order of ranking.
- c. All eligible T53/54 athletes who have achieved an MES and have finished in the top six (6) in at least one World Marathon Majors race between 1st September 2019 and 09:00 (BST) on 20 July 2020, will be discussed.
- d. Subject to paragraphs 1.6 and 1.7, remaining slots may be filled based on the Panel's consideration of a combination of the following criteria, as well as any other factors deemed relevant. The criteria outlined below are not listed in priority order:
 - i. Current form and fitness;

 - ix. Performance-limiting injury/illness; and
 - x. Performances in Non-WPA sanctioned competitions provided such competitions are listed on the Power of 10 website.

1.13 Round 4 – Future Global Medal Potential

- a. Subject to further qualification slots remaining (see paragraph 1.6) and the maximum number of places for an event not being filled (see paragraph 1.7), the Panel, in its absolute discretion, may choose to nominate athletes who they believe have potential to win a medal in future Paralympic Games. The athlete must have achieved at least one MES performance (see Appendix 1) in the event for which they are to be considered, in accordance with paragraphs 2.1 to 2.16 below, and have demonstrated to the satisfaction of the Panel current form and fitness which suggests that they are a developing athlete who is on the pathway towards individual medal success at future Paralympic Games.
- b. All eligible athletes who have achieved an MES but have not been nominated in rounds 1 to 3 will be discussed. Athletes will be discussed in the order of the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings but, for the avoidance of doubt, nominations will not necessarily be made in order of rankings.
- c. Subject to paragraphs 1.6 and 1.7, remaining slots may be filled based on the Panel's consideration of a combination of the following criteria, as well as any other factors deemed relevant. The criteria outlined below are not listed in priority order:

1.14 Round 5 – relays:

- a. Provided Paralympics GB has qualified a team in the universal relay (by being ranked in the top 12 of the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings list), the Panel, in its absolute discretion, may choose to enter a team of up to eight (8) athletes for the universal relay event, based on the classification and impairment profiles of athletes qualified for individual events and provided that:
 - i. The Panel, in its absolute discretion, believes that the athletes to be entered into the relevant relay team have the potential to combine effectively to win a medal at the Games; and
 - ii. Every relay athlete has achieved at least one MES performance in an individual event (see Appendix 1 of this Selection Policy) in accordance with paragraphs 2.1 to 2.16 below.
- b. In the event that the Panel chooses to enter a team in the universal relay event, athletes will be nominated based on the Panel's consideration of a combination of the following criteria, as well as any other factors that may be deemed relevant. The criteria outlined below are not listed in priority order:
 - i. WPA rules regarding classification/discipline combinations;
 - ii. Current form and fitness;
 - iii. Head-to-heads;

- c. The team must consist of at least two (2) male and two (2) female athletes.
- d. The following classes are eligible for each leg:
 - i. First leg: T11, T12 or T13;
 - ii. Second leg: T42, T43, T44, T45, T46, T47, T61, T62, T63 or T64;
 - iii. Third leg: T35, T36, T37 or T38; and

- iv. Fourth leg: T33, T34, T51, T52, T53 or T54.

1.15 Nomination for additional events

Following the completion of rounds 1 to 5 (paragraphs 1.10 to 1.14 above), the Panel, in their absolute discretion, may select athletes who are already selected for one or more events for an unlimited number of additional events (“doubling up”), provided that all of the following are satisfied:

- a. The athlete has achieved at least one MES performance in accordance with paragraphs 2.1 to 2.16 below in the additional event(s);
 - b. The athlete is eligible to compete in the additional event(s) under IPC Athletics entry qualification criteria and meets the eligibility criteria set out at paragraph 1.1 above;
 - c. The maximum number of athletes for the additional event(s) has not been reached (see paragraph 1.7 above);
 - d. Doubling up does not exclude another athlete, already selected by the Panel in rounds 1 to 5, from the additional event(s) (i.e. doubling up does not override previous selections); and
 - e. The Panel believes that competing in the additional discipline will not detract from the athlete’s performance in their primary event(s) at the Games or future Paralympic Games.
- 1.16 In the event that the Panel nominates athletes to fill all Qualification Slots, or they nominate the maximum number of athletes per event pursuant to paragraph 1.7, they may choose to nominate reserves for any event, provided any such reserve athletes have achieved at least one MES performance in the event in question in accordance with paragraphs 2.1 to 2.16 below. Reserves will be nominated on the basis of the Panel’s criteria listed at paragraph 1.12 (c) above, as well as any other factors that may be deemed relevant. This paragraph 1.16 will also apply for the purposes of selecting a replacement after the de-selection of an athlete in accordance with paragraphs 3.1 to 3.2 below.
- 1.17 The Panel reserves the right to make value judgments on situations that they consider to be exceptional circumstances within the reference framework and the spirit of this Selection Policy.

SECTION 2: PERFORMANCE CRITERIA

Minimum Qualification Standards (“MES”)

- 2.1 The MES are detailed in Appendix 1.
- 2.2 All athletes must achieve MES performances(s) for the event(s) for which they seek nomination between 00:00 (GMT) 1 October 2018 and 23:59 (BST) 19 July 2020.

Performance conditions relating to MES performances

- 2.3 MES performances must be achieved at competitions endorsed or recognised by WPA as at the date of the competition (see <http://www.paralympic.org/calendar> for details of domestic and overseas WPA endorsed/recognised events).
- 2.4 Domestic, non-disabled competitions are not automatically endorsed or recognised by WPA for the purposes of achieving MES performances. Athletes may request WPA endorsement (via British Athletics) for specific domestic non-disabled competitions in accordance with paragraph 2.5 below provided the request satisfies the following:
 - a. The competition is an integrated event – i.e. either disability events take place in the same competition as non-disabled events OR a disabled athlete competes in a non-disabled event directly against non-disabled athletes; and
 - b. The competition for which endorsement is being sought is a UKA Permit Level 2 or higher competition (for further details on UKA competition permits, please check www.britishathletics.org.uk).
- 2.5 Athletes wishing to request WPA endorsement of a domestic, non-disabled event must send requests to Jan Richards at jrichards@britishathletics.org.uk, at least four (4) weeks prior to the start of the competition. The final decision as to whether such an event is endorsed shall be at the discretion of WPA and that decision will be communicated to the athlete within 14 days of receipt by Jan Richards of the request.
- 2.6 Athletes must hold a valid and current WPA Athlete Licence at the commencement of the competition in which MES performances are achieved.
- 2.7 Wind-assisted performances (or performances achieved at events where wind measurement was not available/recorded) will not be accepted.
- 2.8 Indoor performances for all field events and all track events of 400m or longer will be accepted.
- 2.9 Hand timed performances in 100m, 200m, 400m & 4x100m will not be accepted.
- 2.10 Field event performances must be achieved using implements with a "minimum" weight, as outlined per classification (see [WPA website](#) for implement weights).
- 2.11 For the running events of 400m and over, performances achieved on oversized tracks will NOT be accepted.

- 2.12 100m, 200m, 400m performances at altitudes of above 950m will not be accepted.
- 2.13 Performances achieved in mixed events between male and female participants, held completely in a stadium, shall not normally be accepted. Exceptions to this rule may be made for field events or races of 5,000m or longer provided the stipulations outlined in WPA rules 4.7 and 4.8. (including notes) are satisfied. For the avoidance of doubt, where a mixed gender race is conducted so as to allow athletes of one gender to be paced/drafted/assisted by athletes of another gender, the results will not be permissible for qualification/selection purposes. The level of assistance provided will be determined at the absolute discretion of the Panel.
- 2.14 Multiple performances achieved in the same individual event in a single day will only count as follows:
- a. In track events only the fastest legal result of the day;
 - b. In throwing events only the best performance of the first competition of the day; and
 - c. In horizontal jumps only the best performance of the first competition of the day, unless every mark achieved by the athlete was wind-assisted (or the wind measurement was not available/recorded) in which case a second competition held under non-wind-assisted conditions will count.

World ranking conditions relating to selection

- 2.15 For events in which more than one class is eligible (such as T42/63 100m), the combined WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings (based on unadjusted times/distances) will always be used for the purposes of the selection process.
- 2.16 WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings will be taken at 09:00 (BST) on 20 July 2020. If the WPA MES Tokyo 2020 Paralympic Games – Eligibility Rankings are known by the Head Coach to be inaccurate (i.e. missing performances) at this point, British Athletics will manually input any missing results from the data set obtained from IPC Athletics. The data used during the selection meeting will be made available for any subsequent appeals.

SECTION 3: GENERAL PROVISIONS

De-selection and replacements

- 3.1 Athletes may only be de-selected from the Games and replaced with another athlete prior to the DRM. The DRM is currently set for 15th August 2020. After the DRM has been completed, and the Paralympics GB team formally entered into the Games, de-selection, and selection of a replacement athlete is not permitted, regardless of reasons for de-selection/withdrawal. However, for the avoidance of doubt, athletes who are no longer eligible after the date of the DRM may have their selection withdrawn, but no replacement may be nominated.

- 3.2 At any time prior to the Paralympics GB team being formally entered into the Games at the DRM, British Athletics reserves the right to withdraw an athlete's nomination should they no-longer be eligible (including failure to attend the Paralympics GB holding camp (without prior permission from the Head Coach)) or, in the opinion of the CMO and the British Athletics Team Leader (the "Team Leader"), injury/illness impacts on the athlete's potential to achieve performances within at least 10% of the average of their best five (5) performances from the period set out at paragraph 2.2 in their event in the Games. Where such concerns exist, the following process will be undertaken:
- a. The CMO will, at his absolute discretion, request that the athlete undergoes a medical examination to determine his/her fitness to compete. This examination will be conducted by the CMO, or another doctor as determined by the CMO. If the athlete fails, or refuses to undergo, the examination, his/her nomination will be withdrawn and British Athletics may, pursuant to paragraph 1.15 above, nominate a replacement.
 - b. If the athlete passes the medical examination carried out in accordance with paragraph 3.2(a) above, but British Athletics retains concerns over their potential to achieve performances within at least 10% of the average of their best five (5) performances from the period set out at paragraph 2.2 in their event in the Games due to the underlying injury or illness, the Team Leader, at her sole discretion, may request that the athlete undergoes a set of event-specific performance tests. The test(s) will be agreed between the Team Leader and CMO and will be designed to determine the impact of any injury/illness on the athlete's potential to achieve performances within at least 10% of the average of their best five (5) qualifying performances from the period set out at paragraph 2.2 in their event in the Games. If the athlete fails or refuses to undertake the test(s), his/her nomination will be withdrawn and British Athletics may, pursuant to paragraph 1.15 above, nominate a replacement.

Appeals

- 3.3 Athletes may appeal their non-selection or de-selection under this Policy, but only after the final selection date and only according to the procedure laid out in the "British Athletics Selection Fast Appeals Procedure" which can be found on the British Athletics website. Athletes wishing to seek advice regarding the appeals process (including the validity of any procedure itself) are advised to contact the UK Athletics Athletes' Commission at www.uka.org.uk/governance/uk-athletics-athletes-commission/ or, alternatively, the British Athletes Commission at <https://britishathletes.org/>.
- 3.4 In the event that the BPA decides not to endorse a nomination by the Panel, British Athletics may appeal that decision in accordance with the BPA's Appeals Policy.

Amendment

- 3.5 British Athletics reserves the right to amend this Selection Policy at its sole discretion and will make any amended version publicly available (including the date on which any amendment was made) at www.britishathletics.org.uk.
